listen, watch and respond to me

I can't talk yet, but I have lots to tell you.

Pay attention to my facial expressions, sounds and wiggles to find out how I am feeling or what I need.

Help me settle with a calming lullaby or chat to me about what I am doing.

use a sing song voice

Help me to tune in by using a sing song voice that goes up and down.

Chatting Together – bump to baby

our best place is face to face

Be at my eye level to help me to see you, and so you notice how I am feeling.

Use smiles and a gentle voice to hold my attention. I might look away, but that's OK, I'll come back.

copy my sounds, funny faces and gestures

When you copy me, I notice you are listening and that you want to keep the conversation going.

I love it when you make me laugh by copying my gestures and gurgles, then pausing for me to take another turn.
